NUMBER 294.

TUESDAY'S ELECTION.

Official Returns Necessary to Decide the Result.

OHIO CLAIMED BY BOTH PARTIES.

Bushnell Elected by a Plurality of 26,520. The Legislature Will Be Very Close. Complete Returns from New York and Pennsylvania—Democrats Have Carried the Maryland Legislature.

COLUMBUS, O., Nov. 4.—Unofficial but complete returns show Republican plurality of 26,520 in Ohio. Both sides still claim a majority of the legislature. Republicans by 5, Democrats by 3 majority.

The Republicans claim the election of the representatives from the following counties: Adams and Pike, Carroll and Harrison, Geauga and Lake, Ashtabula, Athens, Belmont (2), Champaign, Clarke (2), Clinton, Columbiana, Cuyahoga (9), Delaware, Erie, Fayette, Fulton, Gallia, Greene, Guernsey, Hancock, Highland, Huron, Jackson, Jefferson, Lawrence, Lorain, Madison, Mahoning (2), Medina, Meigs, Miami, Montgomery (2), Morgan, Muskingum, Noble, Portage, Preble, Ross, Scioto, Stark (2), Trumbull, Union, Warren, Washington, Williams, Wood—total, 58.

The following counties are conceded by the Republican state committee to the Democrats: Hocking and Vinton, Marion and Morrow, Allen, Ashland, Auglaize, Brown, Butler, Clermont, Coshocton, Crawford, Darke, Defiance, Fairfield, Franklin (3), Hamilton (10), Hardin, Henry, Holmes, Knox, Licking, Logan, Lucas (2), Mercer, Monroe, Ottawa, Paulding, Perry, Pickaway, Putnam, Richland, Sandusky, Seneca, Shelby, Tuscarawas, Van Wert, Wayne, Wyandot—Total 49.

Chairman McConville of the Democratic state committee concedes the defeat of his state ticket, but states they have reduced the Republican plurality of 51,000 of last year by over one half. Although others at Democratic state headquarters concede that the legislature will be Republican on a close majority of one or more, Chairman McConville does not concede the control of that body to the Republicans.

Mr. McConville reviewed the claims of the Republicans on the legislature and struck the representatives from Wood and Noble counties from their list, also the senator from the Marion-Logan district and said these three changes would make the legislature stand 73 Democrats to 72 Republicans and he would never give either of these three doubtful members up till the official count was completed. He also contests the election of two of the 12 members from Cuyahoga county which would make the legislature stand 75 Democrats and 70 Republicans. Chairman McConville says he believes the Democratic representatives were elected in three other counties which he does not want to name pending investigation of alleged frauds. He charges fraud in Noble and Wood counties and in the Marion-Logan district.

THE HAMILTON COUNTY VOTE. The Democratic-Fusion Ticket Has a Decided Majority.

CINCINNATI, Nov. 4.—The total vote cast in Hamilton county was 81,176. Of this, 60,504 votes were in Cincinnati and 14,672 in the county exclusive of Cincinnati. The only candidate elected on the straight Republican ticket was the county infirmary director, for whom only the county outside of Cincinnati has the right to vote.

The average majorities of the fusion senators were 1,678; for the 10 fusion representatives the average was 2,223. The highest majority on the fusion ticket for county offices was that for board of control—5,900; the next highest was for prosecuting attorney—5,230. Four of the county officers elected on the Democratic fusion ticket are independent Republicans, and one senator and four representatives are also independent Republicans.

NEW YORK. Democratic Candidate for Chief Judge of the Court of Appeals Elected.

NEW YORK, Nov. 4.—Returns from all the counties in the state indicate a plurality of more than 58,000 for A. B. Parker, Democratic candidate for chief judge of the court of appeals. His plurality in Greater New York is 133,056.

Van Wyck, Tammany candidate for mayor of New York, has 81,584 plurality over Seth Low and 118,401 over General Tracy.

The state legislature remains Republican. The senators, hold-over and the new house of assembly stands 85 Republicans to 68 Democrats. Ten of the newly elected assemblymen are said to be anti-Platt. In the present senate the Republican majority is 80; in the house 78.

The special election in the Third congressional district, Brooklyn, resulted in a victory for Edmund H. Briggs, Democrat, over William A. Prendergast, Republican, by nearly 2,000 majority. Last year Francis Wilson, Republican, was elected in this district by more than 5,500 plurality. He resigned to become postmaster of Brooklyn. Prendergast suffered because of the bitter fight between the Republican factions in Brooklyn.

KENTUCKY. LEXINGTON, Ky., Nov. 4.—There is little interest in the size of Shadieford's majority, as it is conceded to be

somewhere in the neighborhood of 15,000. The Democrats have won or increased their vote everywhere. The issues were local, free silver not being an issue in any race from the lowest to the highest. The Democrats have secured a good majority in the legislature, but as a senator is not to be elected until after another election is held for representatives, it is of no great importance.

Massachusetts. BOSTON, Nov. 4.—Roger Wolcott, the Republican candidate, has been re-elected as governor of Massachusetts by a plurality of nearly 86,000. There are still a few remote precincts to be heard from, but the total vote in these districts is only a few hundred. Revised returns show a total vote of 165,318 for Wolcott, 72,395 for George Fred Williams, regular Democratic candidate, and 14,129 for William Everett, the nominee of the National Democrats. Wolcott's plurality last year was 154,542, nearly 11,000 less than his total vote this year. This year's political complexion of the general house will be as follows: Senate—Republicans, 34; Democrats, 6. House—Republicans, 182; Democrats, 12; Independents, 6; Prohibitionists, 1.

Pennsylvania. PHILADELPHIA, Nov. 4.—The complete vote of Pennsylvania is as follows: For state treasurer: Beacom, Republican, 364,597; Brown, Democrat, 240,216; Swallow, Prohibitionist, 116,153; Thompson, Independent, 13,293. Beacom's plurality, 124,381. For auditor: General McCauley, Republican, 400,605; Ritter, Democrat, 260,164; Lathrop, 55,882. McCauley's plurality, 140,531. The total vote for state treasurer is 734,259, as compared with 707,807 in 1895 and 1,194,455 in 1896. Dr. Swallow, the Prohibition candidate, has a plurality in 10 of the 67 counties.

Colorado. DENVER, Nov. 4.—The result of Tuesday's election in this state is still in doubt so far as justice of the supreme court is concerned, and it will take the official canvass to decide who has won. Returns and estimates so far received show Hayt, candidate of the Republicans and silver Republicans, 82 votes in the lead. Counties yet to be heard from are divided and some doubtful. The chairman of the Populist and Democratic parties claim that full returns will give their candidate, Gabbert, from 1,000 to 1,500 majority.

New Jersey. TRENTON, Nov. 4.—The New Jersey assembly will have a Republican majority of 21 on joint ballot. The latest figures from the different counties show that the Democrats have elected senators in Burdett, Huntington, Middlesex, Passaic and Sussex counties, and that Robert E. Hand, Republican, is elected senator from Cape May by about 250 majority. With the holdover senators this will make the senate stand 14 Republicans to 7 Democrats.

Maryland. BALTIMORE, Nov. 4.—With semi-official returns from all the counties in the state except St. Mary's and Calvert, and fairly good estimates from these, the Democrats appear to have elected enough members to the next legislature to give them a majority of 5 on joint ballot and to insure the re-election of Senator Gorman.

Virginia. RICHMOND, Nov. 4.—The latest returns from Tuesday's election in Virginia give the Democrats all the senators elected and 94 and 95 members of the house. The Republicans get four, perhaps five, members and the Independent one member. The Democrats made heavy gains in the southwest and in the valley.

AERONAUT DROWNED

Stewart Young Finds a Watery Grave in Lake Michigan at Chicago.

CHICAGO, Nov. 4.—Aeronaut Stewart Young was drowned in Lake Michigan at the foot of Monroe street yesterday afternoon while attempting to descend from his balloon in a parachute. Thousands of persons witnessed the accident.

Young ascended from the Winter circus at Hubbard Court and Wabash avenue. A brisk wind was blowing and the airship quickly veered to the east. Immediately over Lake Front park Young was seen to loosen his parachute and make ready to descend the balloon. Evidently something went wrong for the aeronaut failed to drop and the balloon, suddenly exploding, fell into the lake. Young was seen to struggle violently to free himself and then sink. The life-saving crew dragged the lake for the body, but were unable to bring it up.

Boiler Explosion.

VANCOUVER, B. C., Nov. 4.—A terrible boiler explosion occurred yesterday afternoon at the Royal City mills, three men being injured, G. Scully, Charles Phillips and a youth named Forbes. Fortunately the explosion occurred during the lunch hour, when over 100 of the men were away. The boiler was blown 60 yards and the engine house wrecked. Five men standing close to the boiler miraculously escaped unharmed. The big smokestack fell on the blacksmith shop, in which were seven men, but all escaped uninjured, although the shop was wrecked.

Child Weighing One Pound.

FRANKTON, Ind., Nov. 4.—A child in the home of Oran McLane, of this vicinity, weighs only one pound and two ounces. The infant's face is easily covered with a silver dollar. It is well developed and healthy.

A JUDGE SHOT DOWN

Cowardly Attempted Assassination at Georgetown, O.

JOHN H. MARKLEY WOUNDED.

A Colored Man Did the Deed Without Provocation—An Attempted Assassination at Cincinnati—The Pistol User Then Kills Himself—Death of an Early Settler—Happening in the Buckeye State.

GEORGETOWN, O., Nov. 4.—Yesterday morning between 12 and 1 o'clock John H. Markley, judge of the common pleas court of Brown and Clermont counties, was shot by John Davis, colored.

The bullet struck Markley's forehead and split, part of it entering the skull and the other part glancing off.

Judge Markley and Editor J. W. Elyar were standing on the corner of Main and Market streets, having stopped there before parting for their home for the night, when they were accosted by Davis, who began talking to Judge Markley in reference to his (Davis') breaking into a store of James Markley a brother of the judge, with which he was accused with three other negroes, but was not convicted.

Judge Markley talked kindly to the fellow until Davis became boisterous, when Editor Elyar said to Judge Markley: "There is no use talking any longer over the affair," and, bidding the judge good night, they both started home. They had gone only a few steps when Davis called to the judge again, and as the judge turned around, the shot was fired.

It is believed Judge Markley will die.

Davis fled, but was captured by the authorities about five miles south of this place in a deep hollow of a woods on the farm of Ves Utter. Deputy Sheriff Jacob Campbell made the capture, and started immediately for Eavaville, where Davis will be placed in jail. Should Davis have been brought here he would undoubtedly have been lynched.

ATTEMPTED ASSASSINATION.

A Discharged Gardener Shoots Mrs. Henry and Then Kills Himself.

CINCINNATI, Nov. 4.—A cowardly attempt to assassinate Mrs. John Henry, a wealthy and prominent woman, at her home in Clifton was made yesterday morning by Lindsay Neighbert, a gardener whom she had recently discharged. While Mrs. Henry was at breakfast alone, Neighbert suddenly entered the room and began firing.

A servant came to her assistance, and seized the assassin, after he had fired two shots. She managed to get him out of the room, and he fled to the woods, where an hour or two later he was found dead, with a bullet through his head.

Mrs. Henry's life was saved by the bravery of Delsine Barrett, who actually overpowered Neighbert. Her wounds are in the arm and are not regarded as serious.

Neighbert had been suspected of theft and was discharged last week, the day after the marriage of Miss Henry to E. O. McCormick of the Big Four, because a number of articles were missing at that time. He was 50 years old.

MARYSVILLE, O., Nov. 4.—James W. Robinson, aged 78 years, who seriously injured himself by falling about a year ago, died last night. He was one of the earliest settlers of Union county, a man of considerable wealth and a prominent citizen.

CHAIR CAR HELD UP.

The Robbers Got Seventy or Eighty Dollars and a Gold Watch.

LITCHFIELD, Ills., Nov. 4.—Last night as the Buffalo, New York and Boston limited, on the Wabash, due here at 9:48 o'clock, pulled out, two men without masks boarded the chair car and at the point of cocked revolvers demanded the passengers to give up their valuables.

After going through the car, which was done at a lively rate, the robbers pulled the bell cord and the train stopped and the robbers got off, running east on Third street and disappearing when the train moved on. The robbers got between \$70 and \$80 and a gold watch.

Bank Robbed.

LIGONIER, Ind., Nov. 4.—The bank of Shiphewana was entered by burglars last night and the safe was blown open with dynamite. Two men were engaged in the robbery. All the valuable papers were taken, together with \$5,000 in cash. The burglars escaped on a handcar.

DEATH OF AN EX-SENATOR.

General Thomas I. Clingman Ends His Days in an Insane Asylum.

RALEIGH, Nov. 4.—General Thomas I. Clingman, ex-United States senator, died in the Morganton insane asylum at 1 p.m. yesterday. Aged, poor and infirm, the state gave him a home there. General Clingman was born in Yadkin county in 1816, elected a Whig member of the legislature in 1835 from Surry, and state senator in 1836 from Asheville; became a leader of the Whig party and was a member of congress from 1843 to 1858, excepting the Twenty-ninth congress.

In 1858 he was appointed to the United States senate to fill the vacancy caused by the resignation of Asa Briggs and was re-elected. His speech on Clay's defeat led to a duel with William Nancy of Alabama.

At the outbreak of the civil war he entered the Confederate army as colonel of the Twenty-fifth North Carolina regiment and soon became brigadier general and was wounded at Cold Harbor and Petersburg.

He served as delegate to the national Democratic convention 1865, but has avoided politics since. He was never married.

MISTAKEN FOR WHITE CAPS.

A White Handkerchief Interpreted as a Signal of Danger.

ENGLISH, Ind., Nov. 4.—While William Henry and Calvin Falkenberg were returning from a dance in the vicinity of Cokina, they made considerable noise in passing the home of John Taylor.

Young Falkenberg had lost his hat and tied a white handkerchief over his head and this attracted Taylor's attention and convinced him the young men were White Caps. Without further ado, he fired upon them, using a shotgun. Falkenberg was wounded, but will recover. Taylor conveyed him to his home, expressing the greatest regret upon discovering his mistake.

Charged With Robbing the Mails.

CRAWFORDSVILLE, Ind., Nov. 4.—Guy Steele, a letter carrier and William Sidener, stamping clerk at the postoffice in this city, were arrested yesterday on charge of robbing the mails. For several months letters containing money have been disappearing. Postoffice inspectors Tuesday night placed a decoy letter containing money in the postoffice and it was yesterday found in Sidener's pocket when he was arrested on suspicion. Sidener confessed, implicated Steele, who also confessed.

His Remains Not Neglected.

CHARLESTON, S. C., Nov. 4.—The body of the stranger found on Sullivan's island beach yesterday has been identified by a purser on the steamer Iroquois as H. Johnson, who took passage from New York on Wednesday last and left the ship at Charleston on Friday. He stayed at the hotel here two nights and went to the island Sunday. It is thought to be a case of suicide, and the name possibly assumed. Masons have charge of the body and will search for his family.

Widow Found Dead in Bed.

NYACK, N. Y., Nov. 4.—Murty McKenna, a widow, 60 years of age, was found dead in bed at Sloatsburg, Rockland county, last evening. Her throat was cut from ear to ear and there was a cut in each hand. The room was spattered with blood. No knife of any kind was found. It is thought that the woman was murdered. She lived alone in a little cottage. She did not go out of her home yesterday and this aroused the suspicions of neighbors, who, entering, found the body.

Succumbed to Heart Failure.

MUNCIE, Ind., Nov. 4.—William Patterson, who for 20 years has been manager of the Western Union telegraph office in this city, died last night of heart failure. The deceased served five years in the late war, the last two of which he was a superintendent of the military telegraph corps under General Thomas. He was 63 years of age. Mrs. Patterson is prostrated by the sudden death of her husband and her condition is considered quite serious.

JUDGE MARKLEY SHOT.

A Negro's Cold-Blooded Deed at Georgetown, O.—His Victim Fatally Hurt.

GEORGETOWN, O., November 3.—Common Pleas Judge John M. Markley was shot and dangerously wounded by John Davis, a worthless negro, shortly after 12 o'clock last night. In company with Editor J. W. Elyar, Judge Markley was standing at the corner of Main and Market streets, when Davis came up and began talking to the Judge about a case in which he, Davis, was charged with burglary, but was not convicted, owing to the death of the principal witness. Judge Markley talked to him for some time, but finally Editor Elyar said there was no use to talk all night, and bidding the Judge good night, the two separated and started for home. When but a few steps away Davis called to the Judge, and as he turned around fired, the bullet striking Markley in the forehead, a little to the right of the center, passing through the skull. The Judge was conveyed to a hotel and Drs. Markley, Osborn and Mitchell summoned. Drs. J. W. and Alex. Wylie, of Ripley, were also summoned and the ball removed after a consultation of the physicians present. The ball was taken out in four pieces, together with many small pieces of bone. The wound is a very dangerous one and there is but one chance in a hundred of Judge Markley's recovery. The weapon used was a 32-calibre revolver, and when Davis fired he was but a few feet away from Judge.

After firing the shot Davis turned and ran out the Russellville pike. He was seen early this morning on the farm of Samuel Cochran, and was making his way toward the Ohio river.

Davis was captured in a deep hollow in a woods on the farm of V. E. Sutter, near the river, by Deputy Sheriff Jacob Campbell, who started for Batavia with the prisoner, where he will be placed in jail.

THREW ACID

Into the Face of Captain Hoobler—Diabolical Deed of a Stranger at Vanceburg.

VANCEBURG, Ky., Nov. 2.—Captain J. B. Hoobler, the well-known bridge masonry contractor, was called to the door of his residence to-night at 7:30 o'clock by a stranger, and as he opened the door the man struck him with a beer bottle and threw into his face the contents of a smaller bottle, which is supposed to have contained acid.

His head was terribly gashed and his face horribly blistered and burned.

Captain Hoobler's married daughter, who followed him to the door, received some of the acid on her hand.

After accomplishing the deed the stranger warned the others not to scream or he would kill them all.

The condition of Captain Hoobler is serious. He will lose the sight of both eyes.

OLD KENTUCK

Rolls Up An Old Time Majority For the Democrats.

Shackelford Wins by Not Less Than 20,000. Gubernatorial and Senatorial Gossip.

FRANKFORT, Ky., Nov. 3.—Returns show a landslide for the Democrats. Shackelford, the candidate for Clerk of the Court of Appeals, will have a plurality over Bailey, Republican, of not less than 20,000, and it may reach 30,000.

In many of the Legislative and Senatorial districts the vote is close.

It is plain, however, that the Legislature will be Democratic in both Houses and upon joint ballot by nearly two to one.

Nearly all of the nineteen four-year State Senators elected, and who will have a vote for Senator in 1900, are silver Democrats.

For this reason the Blackburn contingent are already announcing his candidacy for Senator to succeed Lindsay in January, 1900.

Senator Goebel will nearly have a walkover for the Democratic nomination for Governor, though the gains of the Democrats have set gubernatorial bees to buzzing anew in the bonnets of all the heretofore talked-of candidates for this office.

Democrats at the State Capital think that the final count and complete returns will show the Democratic vote as big as that of Republicans, National Democrat and Populist combined, and thus show their power to continue the free silver plank in their platform, and to snap their fingers in the faces of those National Democrats whom they don't want to allow to return to the party organization.

Republican State officials confess that their defeat has been a complete one, and blame the National Democrats for a "throw down" because they voted for their State candidate, and then for the balance of the Democratic candidates instead of the fused Republicans.

Governor Bradley and his anti-Hunter-Deboe followers can't conceal their delight at the defeat of the Republican State candidate, whom they supported in only a perfunctory manner, saying from the start he would be defeated because Hanna and McKinley had ignored Bradley, and because Bailey was nominated by a Hanna-McKinley State convention.

They are equally pleased with the defeat of Todd for Mayor of Louisville, and all of the McKinley candidates who were on the ticket.

The constitutional amendment giving cities and towns the right to raise local taxes by license instead of by the ad valorem process, on banks, etc., has had a very close call, if it has passed at all, nearly every suburban voter, who voted on the subject at all, voting against the amendment.

ELECTROCUTED

Was a Covington Man While Blowing a Tin Horn—A Peculiar Accident.

[Enquirer, November 3rd.]

John Schaefer, twenty-four, of 413 West Fourth street, Covington, Ky., was almost instantly killed at 9 o'clock last night in most novel manner. Schaefer was selling tin horns to persons who were celebrating over the success of the Fusion ticket. In order to attract attention to his wares Schaefer blew one of his horns continually. When he got in front of Fechheimer's clothing store Schaefer placed the horn he was blowing against an electric light pole. In a trice the deadly current had penetrated his body and he was electrocuted. Schaefer fell to the pavement amid the shrieks of a number of women who were standing near him. James Jackson, of Madisonville, picked up the prostrate form of Schaefer and placed it near the building.

The police were notified and Patrol 1 soon reached the scene. The body was hastily removed to the hospital, where life was pronounced extinct. The body was then removed to the morgue. Schaefer was a married man, and he leaves a widow and two small children. He was an industrious fellow, and his death is greatly deplored by a number of friends.
